**Clayton Parks & Recreation Meeting  
Monday, October 4, 2021  
Shaw Park Enterprise Holdings Pavilion**

**Members Present:** Ben Beinfeld, Karen Berry Elbert, Jim Craig, Matt Durham, Daniel Henke-Cilenti, Bridget McAndrew, Missy McCormick, Gary Pierson, & Eric Schneider.

**Absent:** Susan Buse

**Also Present:** Patty DeForrest, Toni Siering, Denise Ucinski, & Justin Whipple

**Approval of Minutes:**

Minutes from the September Commission meeting were approved as written.

**Addresses from the Audience:**

There were no addresses from the audience. A grad student from Washington University was in attendance. He informed the Commission that he is studying political science and was only present to observe the meeting.

**Parks Division Overview:**

Ms. Patty DeForrest informed the Commission that at the BOA retreat they discussed evaluating City-wide operations. This will be the perfect opportunity to learn about park maintenance from a service level. It will also be a great way to prepare for the master plan and build a knowledge base. Ms. DeForrest also noted that there has been a reduction in Parks staff over the past 20 years. Despite that, the parks staff continues to manage the addition of Chapman Plaza and they have been added to the snow removal rotation. Superintendent of Parks, Mr. Justin Whipple, manages the parks division and oversees all operations including contractual service providers.

Mr. Whipple provided the Commission with data about Clayton parks and park inventory. There are 12 parks which total of 95 acres. He noted that at the beginning of each week he discusses with his staff what needs to be accomplished and sets monthly goals. Horticulturist, Ms. Geni Metzger, handles the landscaping and garden maintenance. Field Technician, Mr. Jason Quinton, manages the fields including the new turf field and sand volleyball courts. Park Maintenance Supervisor, Mr. Craig Skrivan, oversees all things maintenance. The other park laborers assist with general operations including getting everything ready seasonally. Mr. Whipple stated that the Chapman Plaza maintenance costs are roughly \$150,000. The City is reimbursed for those expenses. Ms. Karen Berry Elbert asked about the grease that is on the pickleball courts. Mr. Whipple said that they nicked a line under the ice rink slab. They have been working diligently to rectify the issue. The plan for ice rink demo is March. A whole new electric system must be built outside of the facility before it is torn down.

**Director's Report:**

Ms DeForrest reported that the City special events have been successful. The Chapman Plaza concert held last week was well attended. This group would like to hold more concerts next year. Party in the Patch will be held on October 15<sup>th</sup>. We switched software systems due to problems with the old provider and the transition is going fine so far. Work at Anderson Park is moving along. MSD is supposed to be finished there on December 7. The Oak Knoll design is going to ARB for review on October 18. That project will be completed in the spring. Ms. DeForrest noted that we are waiting on the demolition permit for Maryland Park. Once that is in place the house will come down. It was noted that most grants generally do not include maintenance costs. The Parks and Recreation Master Plan and the Bike and Pedestrian Master Plan have been combined and will be called the Livable Community Master Plan. The RFP is set to be issued next week. Members of the Commission will be selected to serve on master planning steering committees.

**Old Business / New Business:**

Mr. Eric Schneider asked about the new placement of the Ralph Clayton portrait. Ms. Bridget McAndrew informed him that the painting will be moved to the History Center, a historical perspective and story about him will be displayed. In conclusion, Ms. DeForrest said it will be important to discuss the Hanley House in the Master Plan, and how it should be utilized moving forward.

Meeting Adjourned at 7:52 pm.  
Respectfully Submitted By: Denise Ucinski

## 2021 Camp Report

PARKS & RECREATION COMMISSION  
NOVEMBER 1, 2021

1

## Summer Camp 2021

- Highest grossing year in terms of enrollment and revenue
- 65 camps
  - 1724 camp registrations
  - 19 more camps offered in 2021 than 2019
- 11 weeks
- Dates: June 7<sup>th</sup>-August 20<sup>th</sup>
- Camps are typically Monday-Friday from 9am-12pm and 1pm-4pm
  - Lunch Bunch is offered daily from 12-1pm

2

## COVID-19 Precautions

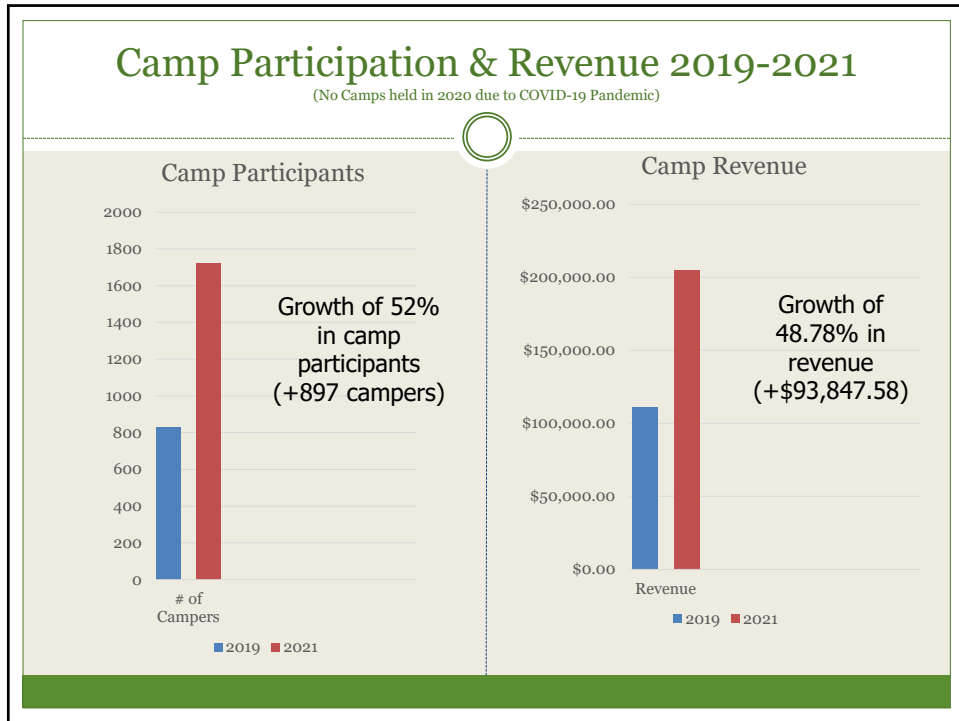

- Only 1 camp canceled due to COVID-19
- COVID-19 precautions in place based on the CDC & St. Louis County Health Department guidelines
- Masks full time during indoor camps for both campers and instructors
- Masks only required outdoors if gathering in a group or not able to social distance

3

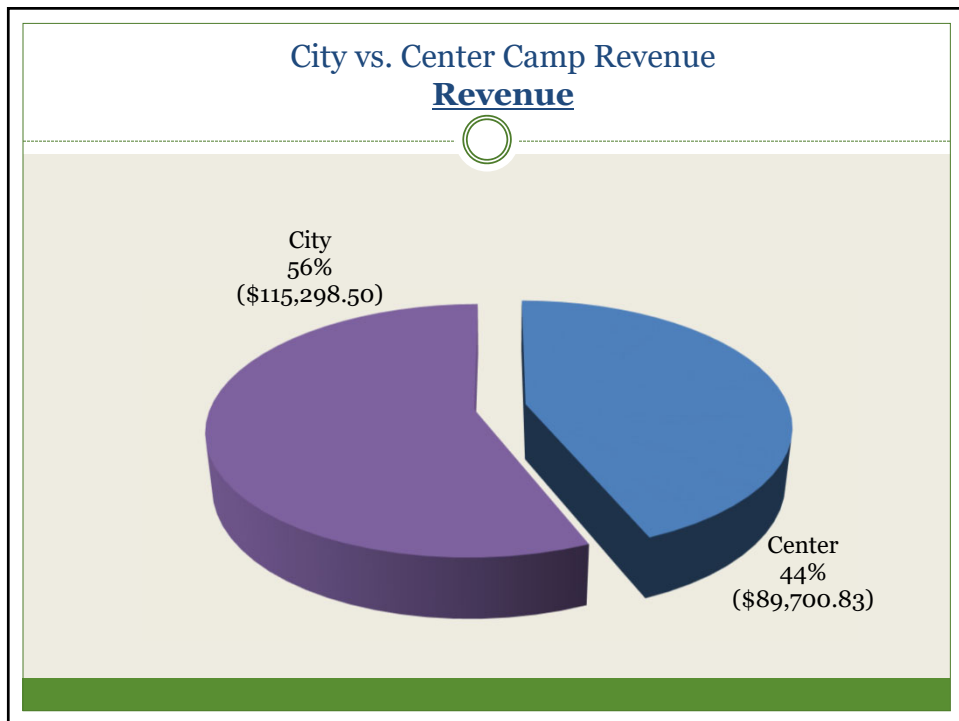

## Camp Offerings in 2021

4

5

6

### Summer Camp Parent Survey Information

- 19 responses
  - 9 Clayton residents
  - 10 non-residents
- 7 of the 19 responses attended Lunch Bunch

7

### Summer Camp Parent Survey - Comments

- “My daughter loved the camp!”
- “The Rec Center staff are AMAZING. We felt so supported. Our son needed extra support, and Patrick, David, and Malory made me feel like it was no big deal (when it felt huge to me). Patrick and David took at least thirty minutes each with me and acted as if helping me -some random mom- was their only task for the day, when we know it wasn't!! Super thankful and super impressed.”
- “Our kids really enjoyed the tennis camp!”
- “My kids had a great time, and I'll probably send them again next year.”

8

## Summer Camp 2022 - Request for Proposal

- The Parks & Recreation Department intends to issue a Request for Proposals in November to attract additional service providers for camps
- RFP would remain open ended so that vendors may submit at any time

9

## Looking Ahead to Summer Camp 2022...

- Program Committee's recommendation - offer a programming menu like what was offered in 2021
- 10 weeks: June 6-August 12 (No camps the week of July 4<sup>th</sup> unless contractor requests week.)
- A full-day traditional camp would not be offered
  - Successful offering morning and afternoon camps, with Lunch Bunch in between
  - Currently not structured to offer a full-day camp
- Bring on additional contractual service providers to expand our camp offerings in order to increase participant choices
- Incorporate in-house, general recreation camps, where needed, to fill out the schedule

10

## Additional Recommendations for 2022

- Add additional camps to help fill gaps in scheduling
  - Worked well in 2021 when CHS sports camps were offered
- Hold up to 9 camps per week, with the goal to average 8
- Continue to offer Lunch Bunch in the CHS Commons, if available
- If a contractual service provider would like to run a full day camp, we will explore that opportunity
- Explore offering camps that allow opportunities for teens as well as job opportunities for those interested

---

This past summer, the Department hosted the largest camp program they have offered in recent history. Due to the pandemic, the decision was made by the School District and the City in late 2020 to cancel SummerQuest in 2021. In response to the decision, staff turned their attention to develop camps that would serve the needs of the community throughout the summer. Those efforts were successful and resulted in the highest camp participation to date. Further study was undertaken by District and City staff to determine the feasibility of the SummerQuest program moving forward. Based upon the success of this summer's program and community survey results, it was determined that the department would continue to run their camp program as was done this summer with the understanding that we would continue to explore new options for additional half-day camps.

The Program Committee has reviewed the Parks and Recreation Department's program offerings from summer camps over the past several years. Based on this review, the Committee's recommendation for 2022 camps is to offer a programming menu similar to what was offered in 2021. A full-day traditional camp would not be offered, as the Department has been very successful offering morning and afternoon camps, with Lunch Bunch in between and is currently not structured to offer a full-day option. This past summer, we offered a wide variety of specialty camps that our participants enjoyed. Staff intends to bring on additional contractual service providers to expand our camp offerings to increase participant choices. In November, the Department will issue a Request for Proposals to attract additional service providers for camps as described below. This RFP would remain open ended so that vendors may submit at any time. We will also incorporate in-house, general recreation camps, where needed, to fill out the schedule.

We intend to run 10 weeks of half-day camps (with Lunch Bunch) as follows:

Week 1:	June 6-10	Week 6:	July 11-15
Week 2:	June 13-17	Week 7:	July 18-22
Week 3:	June 20-24	Week 8:	July 25-29
Week 4:	June 27-July 1	Week 9:	August 1-5
Week 5:	July 5-8*	Week 10:	August 8-12

*\*No Camps July 4, except tennis unless contractor requests this specific week.*

---

Additional program information:

- Utilize Clayton High School teachers (if available and interested) to offer new specialty camps such as theater camp, cooking camp, art camp, etc. If CHS staff are not interested, look for opportunities from contractual service providers.
- Add additional camps to help fill gaps in scheduling. This worked well in 2021 when CHS sports camps were offered. These camps were well received, and the CHS Athletic Director and coaches communicated well with Parks and Recreation staff.
- Coordinate offerings with School District to maximize opportunities for summer school students.
- Continue to offer Lunch Bunch in the CHS Commons, if available.
- Use walkie talkies for staff to utilize in the High School.
- Week 5 (July 4-8): Only offer Tennis Camp the week of 4<sup>th</sup> of July (Tues.-Fri.), unless contractor requests this specific week. This would be the same as 2021; no other camps were run through the department that week in 2019.
- Week 10 (August 8-12): 2-4 camps offered, as this week generally has limited enrollment.
- Staff will explore offering camps that allow opportunities for teens as well as job opportunities for those interested.
- If a contractual service provider would like to run a full day camp, we will explore that opportunity.
- Work with Subway to deliver lunches to the Lunch Bunch area and handle mistakes on lunches for campers. Look for additional lunch opportunities, as well.
- Coordinated marketing effort with the District to promote camp program.
- Hire Camp Coordinator to oversee the day-to-day activity and assist with supervision.

As we continue to develop our camp program, we will take into consideration the needs of the community. Staff will review options and services contractors can provide for a well-rounded summer camp program.
